

Dear Families,

A wonderful week being blessed to see how children are flourishing whether making music, singing, their art, writing or maths or any aspect of learning has been phenomenal. We recently conducted an opinion poll with the children about their likes and dislikes and it is as always overwhelmingly positive across all areas of learning.

Reception enjoyed a lovely trip this week, where team work really made the dream work. Members of the public came to comment the staff on the children's exemplary behaviour. Well done Reception.

Our transitions meetings have begun with some of our year 6 pupils already attending their new schools, feeling more settled by doing so. These visits are spaced out along with our transition work. If you are concerned in any way about transition, please speak with our homes school liaison officer, Mrs Sablon or SENDCo, Mr French.

A huge thank you to all the parents who are interested in becoming parent governors in our new federation, look out for meetings with our clerk and Mrs Smith next week.

Wishing you all a wonderful weekend,

*Mrs Smith  
& Mr Hall*

#### Polite reminder:

Children need to be in school on  
time.

Gates open at 8:45 and close at  
8:55.

Early morning learning at this time  
sets the children up for the day.

Our Attendance Welfare Officer (AWA), Ranu Begum, attends school every Tuesday morning. Ranu checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences.

We know that sometimes- even with children at school 190 out of 365 days in the year- they may fall ill. This can be worrying so please see advice from our local teams on

[https://www.towerhamletstogether.com/files/Care\\_Confident\\_Booklet\\_A5\\_InteractiveBooklet2.pdf](https://www.towerhamletstogether.com/files/Care_Confident_Booklet_A5_InteractiveBooklet2.pdf) on common illnesses and when to seek support. Additional sports including swimming benefit children to be healthier and smarter. Please ensure children take full advantage of this by wearing appropriate kit and making sure they bring it with them each week!
