

Dear Families,

A wonderful week where we celebrate stories, health and connections... from the Olympian willing us to do our best, to dressing up and sharing stories we appreciate how we can create and enjoy narrative. The Olympian athlete was able to inspire the children to try their best, against themselves for a healthy body and charity. A healthy body supports a healthy mind, thank you to THEWS for the support in delivering anxiety workshops for our children and a coffee morning for our parents, please do come next week. A healthy mind, includes a healthy spirit alive with possibilities when year 4 children visited St Paul's Cathedral this week. We as a school were able to host two curates as part of their training and we have benefited from their presence in creating prayer stations during our time of Lent including for staff. Thank you, Jen and Raphael.

Wishing you a wonderful weekend,

*Mrs Smith
 & Mr Hall*

Activities with Saffron Severn, a Rhythmic Gymnast.

The whole school took part in a series of exercises alongside saffron Severn, who is a Junior Rhythmic Gymnastics Champion for Great Britain. They had great fun! Thank you for all of your sponsorship money so far. Please remember to pay all sponsorship money by Tuesday 12th March 2024, using the QR code.

SCHOOL NOTICE BOARD

Federation with St. Paul with St. Luke

A huge thank you to parents who were able to attend the federation consultation meeting this week. Most questions are answerable in the 'frequently asked questions' document. We responded to questions, and we have captured some for you.

How does provision for children with special educational needs and disabilities change?

We have strengthened our provision by working with another school to share expertise so although the day-to-day may not change for the majority, the offer has been extended with an autism specialist class and team.

Would the school offer flexi-schooling?

Both schools do not offer flexi-schooling, schools usually do not and we do not and would not necessarily under a federation.

Does provision for the highly academically able change?

Both schools offer challenges through tutoring to older pupils but not younger ones in preparation for secondary school. Individual and group challenges are set as part of adaptive teaching.

We hope this is helpful, if you do have any questions or feedback, please use the feedback form to share with our clerk to Governors, Tracey Lee.

EASTER BONNET & HAT COMPETITION

ALL BONNETS & HATS TO
BROUGHT INTO SCHOOL ON
THURSDAY 28TH MARCH
PRIZES TO BE WON!
WINNERS TO BE ANNOUNCED
IN ASSEMBLY!

GOOD LUCK!

SCHOOL NOTICE BOARD

Today, St Saviour's celebrated World Book Day, which was a fantastic day filled with literary fun! We started things off with an assembly where our students discussed the ways we can incorporate reading into our everyday lives and read for fun! Afterwards, we had a story relay, where Year 1 began writing the introduction to a story, then passed it on to Year 2 who continued it, and so on, leading to a whole-school story.

SCHOOL NOTICE BOARD

Additionally, KS2 classes paired up with KS1 classes and enjoyed reading books aloud together. It was a wonderful way to promote the love of reading and encourage our students to explore new stories. We then spent time playing character/book charades, following an illustrator's tutorial, and doing some creative writing. We can't wait for the next literary adventure!

SCHOOL NOTICE BOARD

Year 4 trip to St Paul's Cathedral

Year 4 had a fantastic time at St. Paul's Cathedral yesterday. Led by Mr Bruce, they were given a brilliant tour of the building where the children learned about the Cathedral's rich history and stunning architecture. After the tour, the children had the unique opportunity to take part in the Cathedral's lunchtime Eucharist service. They rehearsed with great enthusiasm and sang beautifully for the service. It was also lovely to see some parents come along to watch and support the children.

Free School Meals

If you feel that your child is entitled to Free School Meals please email benefits@towerhamlets.gov.uk or contact number is **0207 364 5000** and asked to be put through to the benefit office.

If you need any further support please contact Clare in the office.

80%	=	190 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

ATTENDANCE MATTERS

WHAT DO YOUR ATTENDANCE FIGURES ACTUALLY MEAN?

BE SMART BE THERE!

Percentages based on 190 academic days

This Weeks Attendance

1st Place: Year 1 97.69%

2nd Place: Year 2 96.55%

3rd Place: Year 5 96.46%

Congratulations to our top 3 classes our school target is 96%

Our Attendance Welfare Officer (AWA), Ranu Begum, attends school every Tuesday morning. Ranu checks our school registers regularly and will contact parents & guardians by letter or telephone. Meetings and home visits will be completed if there is a cause for concern.

Formal referrals of pupils with persistent absence or below 90% attendance will be made. Children need to be in school every day. Parents should be aware that they can ultimately be prosecuted for non-attendance offences.

We know that sometimes- even with children at school 190 out of 365 days in the year- they may fall ill. This can be worrying so please see advice from our local teams on https://www.towerhamletstogether.com/files/Care_Confident_Booklet_A5_InteractiveBooklet2.pdf on common illnesses and when to seek support. Additional sports including swimming benefit children to be healthier and smarter. Please ensure children take full advantage of this by wearing appropriate kit and making sure they bring it with them each week!
